Recap Introduction from Welcome message

Why the Summer School ?

- The AI field is becoming more and more complex
 - How to navigate in this jungle ?

How much did you like the Summer School?

We will send a survey to complete

- Sent by email
- 1-2 weeks to fill
- It is anonymous!

How did you find the summer school overall?

- 1 - Not satisfied at all
- 2 - There were some interesting points, but in general it could be much improved
- 3 - A good event, but nothing special to highlight
- 4 - Satisfied overall, with just a few things to be improved
- 5 - Extremely satisfied, it went beyond my expectations
- Other...
